Executive Chairman Address Malaysia Co-operative Societies Commission

بِسْمِ اللَّهِ الرَّحْمَنِ الرَّحِيمِ
السلام عليكم ورحمة الله وبركاته

Assalamualaikum warahmatullahi wabarakatuh dan Salam Sejahtera

Assalamualaikum warahmatullahi wabarakatuh and Good Day

Alhamdulillah, dimulai segalanya dengan mengatur rasa syukur setinggi-tingginya ke hadrat Allah SWT, yang telah dengan izin Rahmat dan Kurnianya, memungkinkan kita untuk terus memberi komitmen dalam menerbitkan Profil 100 Koperasi Terbaik Malaysia Tahun 2019. Penerbitan berkala secara tahunan sejak tahun 2008 ini sememangnya amat ditunggu-tunggu oleh semua koperasi di Malaysia.

Pertama sekali, saya mengucapkan tahniah kepada koperasi yang terus mengekalkan prestasi cemerlang dan koperasi baharu yang turut berjaya menempatkan diri dalam Profil 100 Koperasi Terbaik Malaysia Tahun 2019, berdasarkan prestasi cemerlang sepanjang tahun dinilai. Semakan semula proses pemilihan koperasi terbaik setelah 10 tahun penganjuran adalah sejajar dengan kematangan koperasi dalam ledakan ekonomi sejagat serta peralihan kepada industri digital IR4.0. Koperasi yang bersaing bukan sahaja dinilai dari segi pendapatan, namun turut disaring dari segi pematuhan undang-undang, tadbir urus koperasi, pembangunan modal insan serta peluang ekonomi yang ditawarkan oleh koperasi bagi memberi perkhidmatan dan kebajikan kepada anggota.

Tahun 2019 telah menyaksikan kemunculan lebih banyak koperasi baharu yang membarisi senarai 100 Koperasi Terbaik Malaysia iaitu sebanyak 47 koperasi untuk menyaingi 53 koperasi yang telah sedia ada dalam senarai tahun sebelumnya. Koperasi sektor perkhidmatan kewangan kekal mendominasi senarai, yang diwakili oleh 48 koperasi fungsi kredit dan perbankan. Ini diikuti dengan koperasi fungsi perkhidmatan dan fungsi pertanian, masing-masing 15 koperasi dan 13 koperasi. Koperasi fungsi pengguna, fungsi perumahan dan fungsi pengangkutan pula dibarisi oleh 11, 3 dan 2 koperasi. Manakala baki 2 koperasi lagi adalah daripada fungsi pembinaan dan perindustrian.

Akhir kata, ucapan syabas dan tahniah diberikan kepada sidang redaksi serta semua ahli Jawatankuasa atas inisiatif yang diambil untuk menyenarai serta menerbitkan Profil 100 Koperasi Terbaik Malaysia tahun 2019. Saya berharap, gerakan koperasi di Malaysia akan terus menuju matlamat menjadi pemacu ke arah negara maju dan inklusif dengan hala tuju masa hadapan yang lebih baik.

Alhamdulillah, I would like begin by recording my utmost gratefulness to Allah SWT, who, with His grace and blessing, has allowed us to continue to give our commitment towards publishing the 2019 Profile of Top 100 Co-operatives in Malaysia. This periodic annual publication since 2008 is most eagerly awaited by all co-operatives in Malaysia.

First of all, congratulations to the co-operatives who continue to maintain their excellent performance and to the new co-operatives that were successful in being listed in the 2019 Profile of Top 100 Co-operatives in Malaysia, based on their excellent performance in the year of evaluation. The review of the selection process for the best co-operatives after 10 years of organization is in line with the co-operatives' maturity in the booming global economy as well as the shift to the IR 4.0 digital industry. Competitive co-operatives are not only evaluated in terms of revenue, but also shortlisted based on compliance to laws, the administration and management of the co-operative, human capital development and economic opportunities offered by co-operatives to provide service and welfare to its members.

2019 has witnessed the emergence of many more new co-operatives in Malaysia's Top 100 Co-operatives namely 47 co-operatives joining the 53 co-operatives already listed in the previous year. Co-operatives from the financial services sector continue to dominate the list, represented by 48 banking and credit co-operatives functions. This is followed by co-operatives in the services functions and agricultural functions, with 15 co-operatives and 13 co-operatives respectively. Co-operatives from the consumer functions, housing functions and transportation functions is represented by 11, 3 and 2 co-operatives. The remaining 2 co-operatives are from the construction and industrial functions.

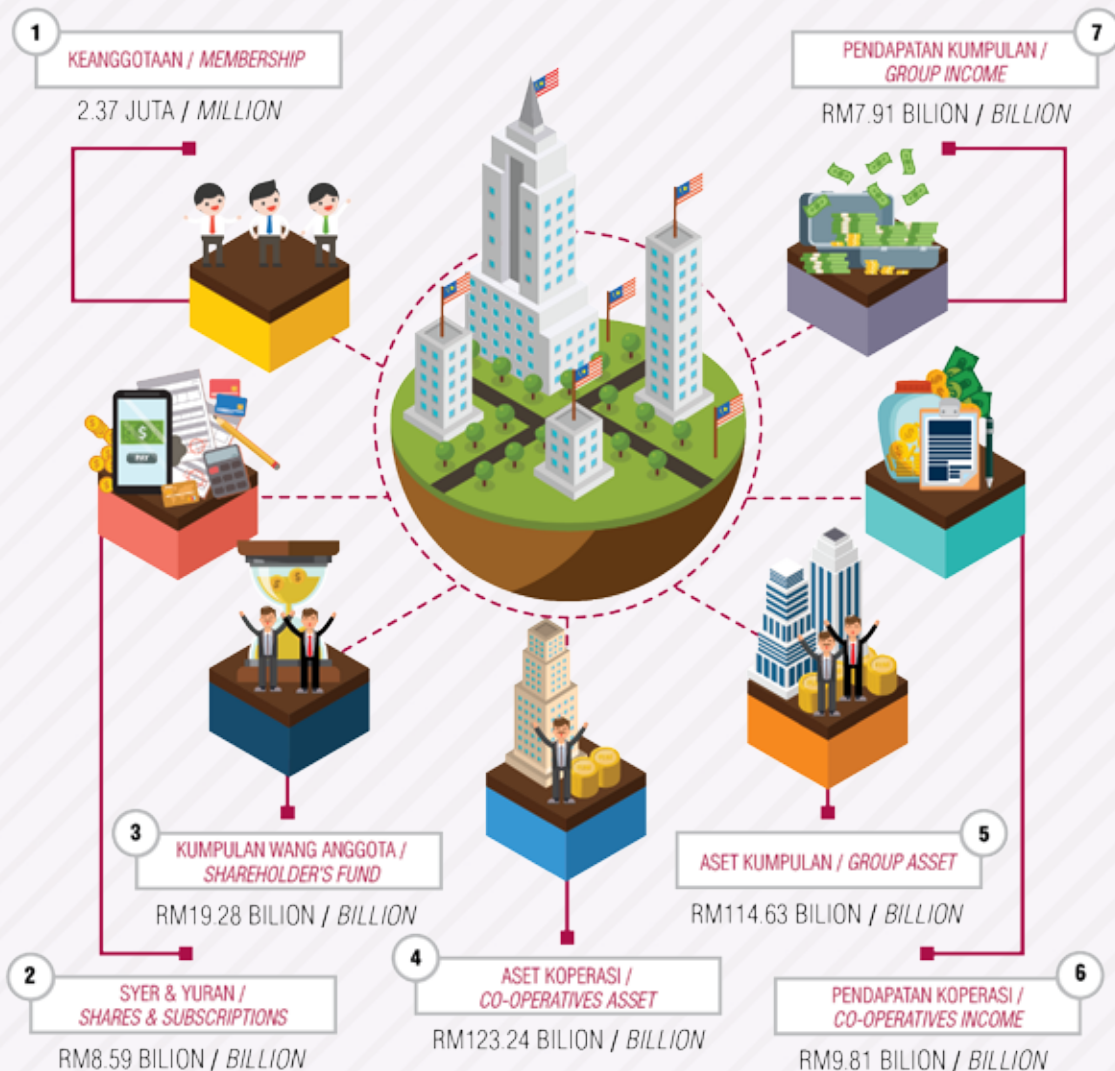

Finally, well done and congratulations to the editorial staff and all Committee members for the initiative taken to list and publish the 2019 Profile of Top 100 Co-operatives in Malaysia. It is my hope that the co-operative movement in Malaysia continues to be a driver towards a developed and inclusive nation with a direction to a better future.
