Executive Chairman Malaysia Co-operative Societies Commission (MCSC)

السلامة على مؤمنين الله ودينه

Assalamualaikum warahmatullahi wabarakatuh, Salam Sejahtera dan Salam Malaysia MADANI.

Sekalung tahniah dan jutaan terima kasih dizahirkan di atas komitmen semua pihak dalam menjayakan penerbitan buku Profil 100 Koperasi Terbaik Malaysia Tahun 2023. Penerbitan berkala profil yang mencecah 15 tahun ini sememangnya menjadi naskah yang dinantikan oleh semua pihak. Syabas diucapkan kepada semua koperasi yang tersenarai dan yang masih mengekalkan kedudukan berprestij pada tahun ini.

Gerakan koperasi di Malaysia harus mempunyai keupayaan untuk menggembleng seluruh kekuatan dan tenaga bagi menterjemah kebijakan baharu. Pendekatan menyeluruh juga amat diperlukan dalam memajukan sektor koperasi yang merangkumi kepimpinan dan pengurusan perniagaan koperasi agar mampu menjadi pemangkin dalam kebangkitan ekonomi yang lebih inklusif. Persekitaran ekonomi yang semakin dinamik dan kompleks pada masa ini menuntut kesiagaan dalam memperkukuh wibawa dan iltizam dalam merencana strategi perniagaan yang berimpak tinggi. Ianya bagi memastikan koperasi terus berdaya saing dan pada masa yang sama membenih keyakinan dalam kalangan masyarakat.

Menjurus ke arah pengemudi gerakan koperasi, Koperasi Premier adalah satu pengiktirafan tertinggi yang dianugerahkan kepada sesebuah koperasi yang berada pada kedudukan lima teratas dalam profil 100 selama tiga tahun berturut-turut. Pada tahun 2023, lima

koperasi unggul telah tersenarai dengan pertambahan satu koperasi lagi ke dalam senarai ikon ini. Bagi 100 koperasi terpilih, sebanyak 46 koperasi berjaya tersenarai mewakili fungsi kredit. Fungsi pertanian diwakili oleh 18 koperasi disamping fungsi perkhidmatan sebanyak 14 koperasi. Koperasi fungsi pengguna pula diwakili oleh sebanyak 10 koperasi diikuti oleh fungsi pengangkutan sebanyak 9 koperasi. Pada tahun ini, koperasi fungsi perumahan tersenarai sebanyak 2 koperasi, manakala koperasi fungsi pembinaan terdiri daripada 1 koperasi.

Profil ini merupakan suatu pengiktirafan dan penghargaan tertinggi kepada gerakan koperasi yang berjaya menunjukkan prestasi dan pencapaian cemerlang sepanjang tahun. Saya berharap gerakan koperasi di Malaysia akan terus menuju matlamat menjadi pemacu ke arah negara maju dan inklusif dengan hala tuju masa hadapan yang lebih baik.

Selamat Maju Jaya.

Assalamualaikum warahmatullahi wabarakatuh, Good Day and Salam Malaysia MADANI.

Congratulations and millions of thanks are expressed for the commitment of all parties in the successful publication of the Top 100 Co-operative 2023. The periodic publication of the profile, which has reached 15 years, is indeed a manuscript that is awaited by all parties. Well done to all co-operative that made it this year and still maintain their prestigious position this year.

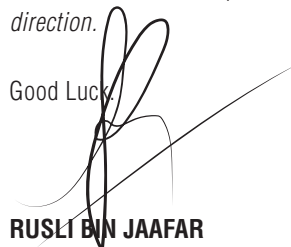

The co-operative movement in Malaysia must have the capacity to mobilize all its strength and energy to translate new policies. A comprehensive approach is also needed in developing the co-operative sector which includes leadership and management of co-

operative businesses in order to be a catalyst in the rise of a more inclusive economy. The increasingly dynamic and complex economic environment currently demands vigilance in strengthening authority and commitment in planning high-impact business strategy. It is to ensure that cooperatives remain competitive and at the same time foster confidence among the community. Geared towards the driver of the co-operative movement, Premier Co-operative is the highest recognition awarded to a co-operative that is ranked in the top five in the profile for three consecutive years.

In 2023, five superior co-operatives were listed with the addition of one more co-operative to this iconic list. For the 100 selected co-operatives, a total of 46 successfully listed co-operatives represent the credit function. The agricultural function is represented by 18 co-operatives in addition to the service function of 14 co-operatives. Consumer function co-operatives are represented by 10 co-operatives followed by transport function of 9 co-operatives. This year, housing function co-operatives listed a total of 2 co-operatives, while construction function co-operatives only 1 co-operative.

This profile is the highest recognition and appreciation to the co-operative movement that managed to show excellent performance and achievements throughout the year. I hope that the co-operative movement in Malaysia will continue towards the goal of becoming a driver towards a developed and inclusive nation with a better future direction.

Good Luck
